

Regulation 417.8 (a) (3) and 416.8 (a) (3) – Outdoor play for school aged children

With the written permission of the parents, providers may allow school-aged children to participate in activities outside of the direct supervision of a caregiver. Such activities must occur on the premises of the group family day care home. A caregiver must physically check such children every 15 minutes.

The following can be filled out by the parent to fulfill this regulation:

I, _____, give provider,
_____, permission for
my child(ren), _____,
_____.

to play outside out of the direct supervision of the provider. I understand that my child will remain on the provider's premises and that he/she will physically check on my child every 15 minutes.
