

Miss Tanya is an exquisite child care provider. Her kind, loving, patient and nurturing qualities made my daughter very happy and comfortable while in her care. We always loved how Miss Tanya would get down on the floor with the children to interact, teach and play every day. The children were outdoors as frequently as possible. We also enjoyed the many art projects that our daughter would bring home with her. Miss Tanya is very educated and knowledgeable in regards to children's development and showed a great understanding of our daughter's needs and feelings. My husband and I highly recommend The Ridge Preschool and Daycare for your childcare needs.
